

# 2024 HEADWEAR HIGHLIGHTS

# QUALITY IN EVERY STITCH.

Emerging from the legendary sporting incubator that was Eugene, Oregon in the late 1960s, the Richardson story began when Howard Wicklund and Neil Richardson opened Howard Wicklund Sporting Goods, a wholesale sporting goods distributor. In 1970, the Richardson family purchased the company and the Richardson brand was born.

Still family owned and operated, today Richardson is a vertically integrated designer and manufacturer of premium headwear, serving everyone from baseball teams to world-renowned consumer brands, businesses large and small, and even your neighborhood brewery.

For over 50 years, our commitment to excellence has shaped every stitch. We celebrate moments of triumph and champion self-expression, igniting the spirit of competition and adventure for all who proudly wear the **R**.
