

LIGHT WEIGHT. MAXIMUM COMFORT.

The 220 brings an unstructured, relaxed crown shape to any warm-weather pursuit.

220 RELAXED PERFORMANCE LITE

The 220 Relaxed Performance Lite is built for long days under the sun. Its unstructured crown gives it a laid back look and feel, while performance features keep things light, cool, and comfortable.

COLORWAY: White

DECORATION: Silicone Transfer

UPF 35

Protects users from harsh UV rays.

LITE PERFORMANCE FABRIC

Our lightest-weight fabric with integrated Stay-Dri moisture management to keep you cool and dry.

STAY-DRI SWEATBAND

Wicks away moisture, keeping you dry and comfortable.
